SULLIVAN HIGH SCHOOL

CHICAGO • ILLINOIS

Horizons . . .

"The delights of our childhood is soon passed away, And our gloryus youth departs . . ."

(from) An Old Man's Memory
(by) James Whitcomb Riley

We have reached the sunset of our high school days that began when we entered Sullivan four years ago.

As the sun sets, the shadows it casts are those of education, honor, service, and integrity, which prepare us for our future destinies.

As the horizon is to the sea and the sky, so is our present to our future — a separation. While the sun rises to meet another day our lives are progressing in the patterns set by our high school days.

There may be an obscurity to our immediate future but it is our dream that it will be a bright one with untold **HORIZONS** for us to conquer.

Dedication

To Mr. Jesse H. Feldman, we, the students of Sullivan, in tribute to the memory of a gracious, fine, intelligent person, and in gratefulness for all the culture and learning which he imparted to us, dedicate this, our NAVILLUS—1955.

Mr. Schuessler, Assistant Principal

It took a very exceptional person to step into the shoes so ably filled by Miss Powers, but Mr. Schuessler proved himself to be just that person.

In the short year that he has been at Sullivan, Mr. Schuessler has become the students "friend". His cheery "good mornings", start off the day just right. His sparkling eye, spring step, and ready smile, show his inherent good nature. Beneath this exterior, however, lies strong abilities as an educator and administrator, of which we are all well aware.

We're "glad to have you aboard", Mr. Schuessler and the NAVILLUS extends a heartfelt "welcome", to you along with the hope that you'll be with us for a long time to come.

Dr. Cohler, Principal

As we see Sullivan grow progressively better, a sense of pride grows within us for "our" school, and the man who directs it, Dr. Milton J. Cohler.

There is not a student among us who has not felt the changes and improvements instituted by Dr. Cohler. We all deeply respect and admire him for the great educator, and the great man that he is.

We do not always understand the reasons why these changes are made, — sometimes we even resent the curtailment of some privileges, and the tringency of the rules. But we do understand the end results, and they are always good, always making Sullivan into a better school, to better mold citizens for tomorrow.

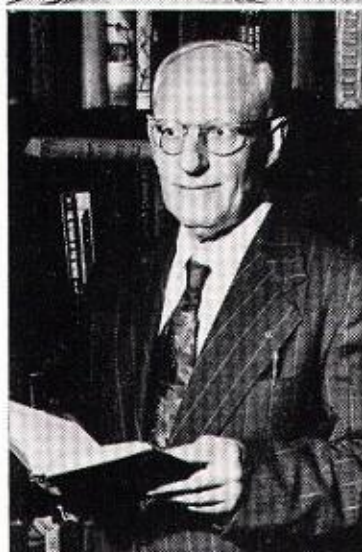

So, thank you Dr. Cohler, for giving us valid reason to be "proud", of our school.

National Honor Society

NATIONAL HONOR SOCIETY

Character, leadership, scholarship and service are the qualities on which the members of the National Honor Society are selected.

Under the direction of Mrs. Mildred A. Sorenson, the assembly at which the members are initiated into the National organization, is undoubtedly one of the most impressive and dignified of any we have.

LOCAL HONOR SOCIETY

Those students who receive at least E's in their major subjects and G's in their minors become members of the Local Honor Society. They automatically lose this honor if they receive any penalty or tardy tickets during the semester.

All students strive to receive good grades because it is a high honor to belong to the Sullivan Honor Society.

Orchestra

Sullivan has every reason to be proud of its orchestra, which is under the direction of Mr. Robert Brown.

Every student is eligible to join the orchestra provided he can play some instrument well. Pupils who study an instrument with Mr. Brown in school automatically join the orchestra after reaching a certain degree of proficiency.

The orchestra has appeared for all important occasions. Their harmony is the last high school reality for the graduate, as he walks up the aisle to the strains of "Pomp and Circumstance" for the last time in Sullivan High School.

Sullivan "Sentinel"

The voice of the student would be an apt description of the Sullivan SENTINEL, for everyone from the lowly freshie to the mighty senior can express his opinion of school life in the paper.

Due to the sabbatical leave of Miss Fannie Kovitz the paper is now under the capable leadership of Miss Winifred Sheel.

The piece de resistance of the paper is the madcap ever scooping Ghost. He sees all and tells all in the amusing Ghost column. The SENTINEL has and always will excel in its presentation of Sullivan's views.

Navillus Staff

From September to June the Navillus staff can usually be found, buried under a pile of work. Supervising this production is Mr. A. Davidson, sponsor.

Each staff member has a set duty to perform, besides the many varied jobs he often unexpectedly has to undertake.

Between the clicking of typewriters, banging of drawers, and the constant pound of hardworking pencils, there is a heavy undercurrent of information passing among different Navillus helpers.

However, the work of the staff would be useless, without you to make possible the successful results of this year's sales campaign.

Community Service League

COMMUNITY SERVICE LEAGUE

The big projects of the COMMUNITY SERVICE LEAGUE, sponsored by Mrs. Ross, are usually planned for the Spring, about the time of Clean-up Week.

They try to make contributions to the school which will improve it as a whole. This year we received new wastebaskets.

This organization definitely shows community spirit among the students.

Fun Fair

Popcorn Cotton Candy! All you can eat! Filling the halls with gaiety late every fall, the Fun Fair, with the cooperation of students, P.T.A. and faculty advisor, Miss Florence Mitchell, helps us enjoy spending our money in order to improve our school.

Among the evening's highlights is the Swim Show. The mermaids perform comical and ballet acts besides outstanding diving feats. Singers, dancers, and comedians make up the performers of the student variety show. If you happen to approach the gym you'll hear wild cheering, some for the alumni but more for the varsity team, as they are the participants of this exciting basketball game.

Thanks to the cooperation of many, our Fun Fair provides our school departments with much, long-desired equipment.

FRENCH CLUB

Parlez-vous Francais avec moi?

This is a familiar phrase of one of the newest clubs in Sullivan — the French Club led by Bernie Nathan, President, Sharon Weinstein, Veep, Janie Shless, Secretary, and Mayde Westrich, Treasurer.

Sponsored by Mrs. Cale-sini, they have put on French skits, seen French movies and conversed in French.

SPANISH CLUB

Would you like to learn Spanish customs, songs and dances?

If your answer is yes, then the Spanish Club is the answer.

Under the sponsorship of Miss Heuer, this club also entertains Spanish clubs from other schools.

Football Team

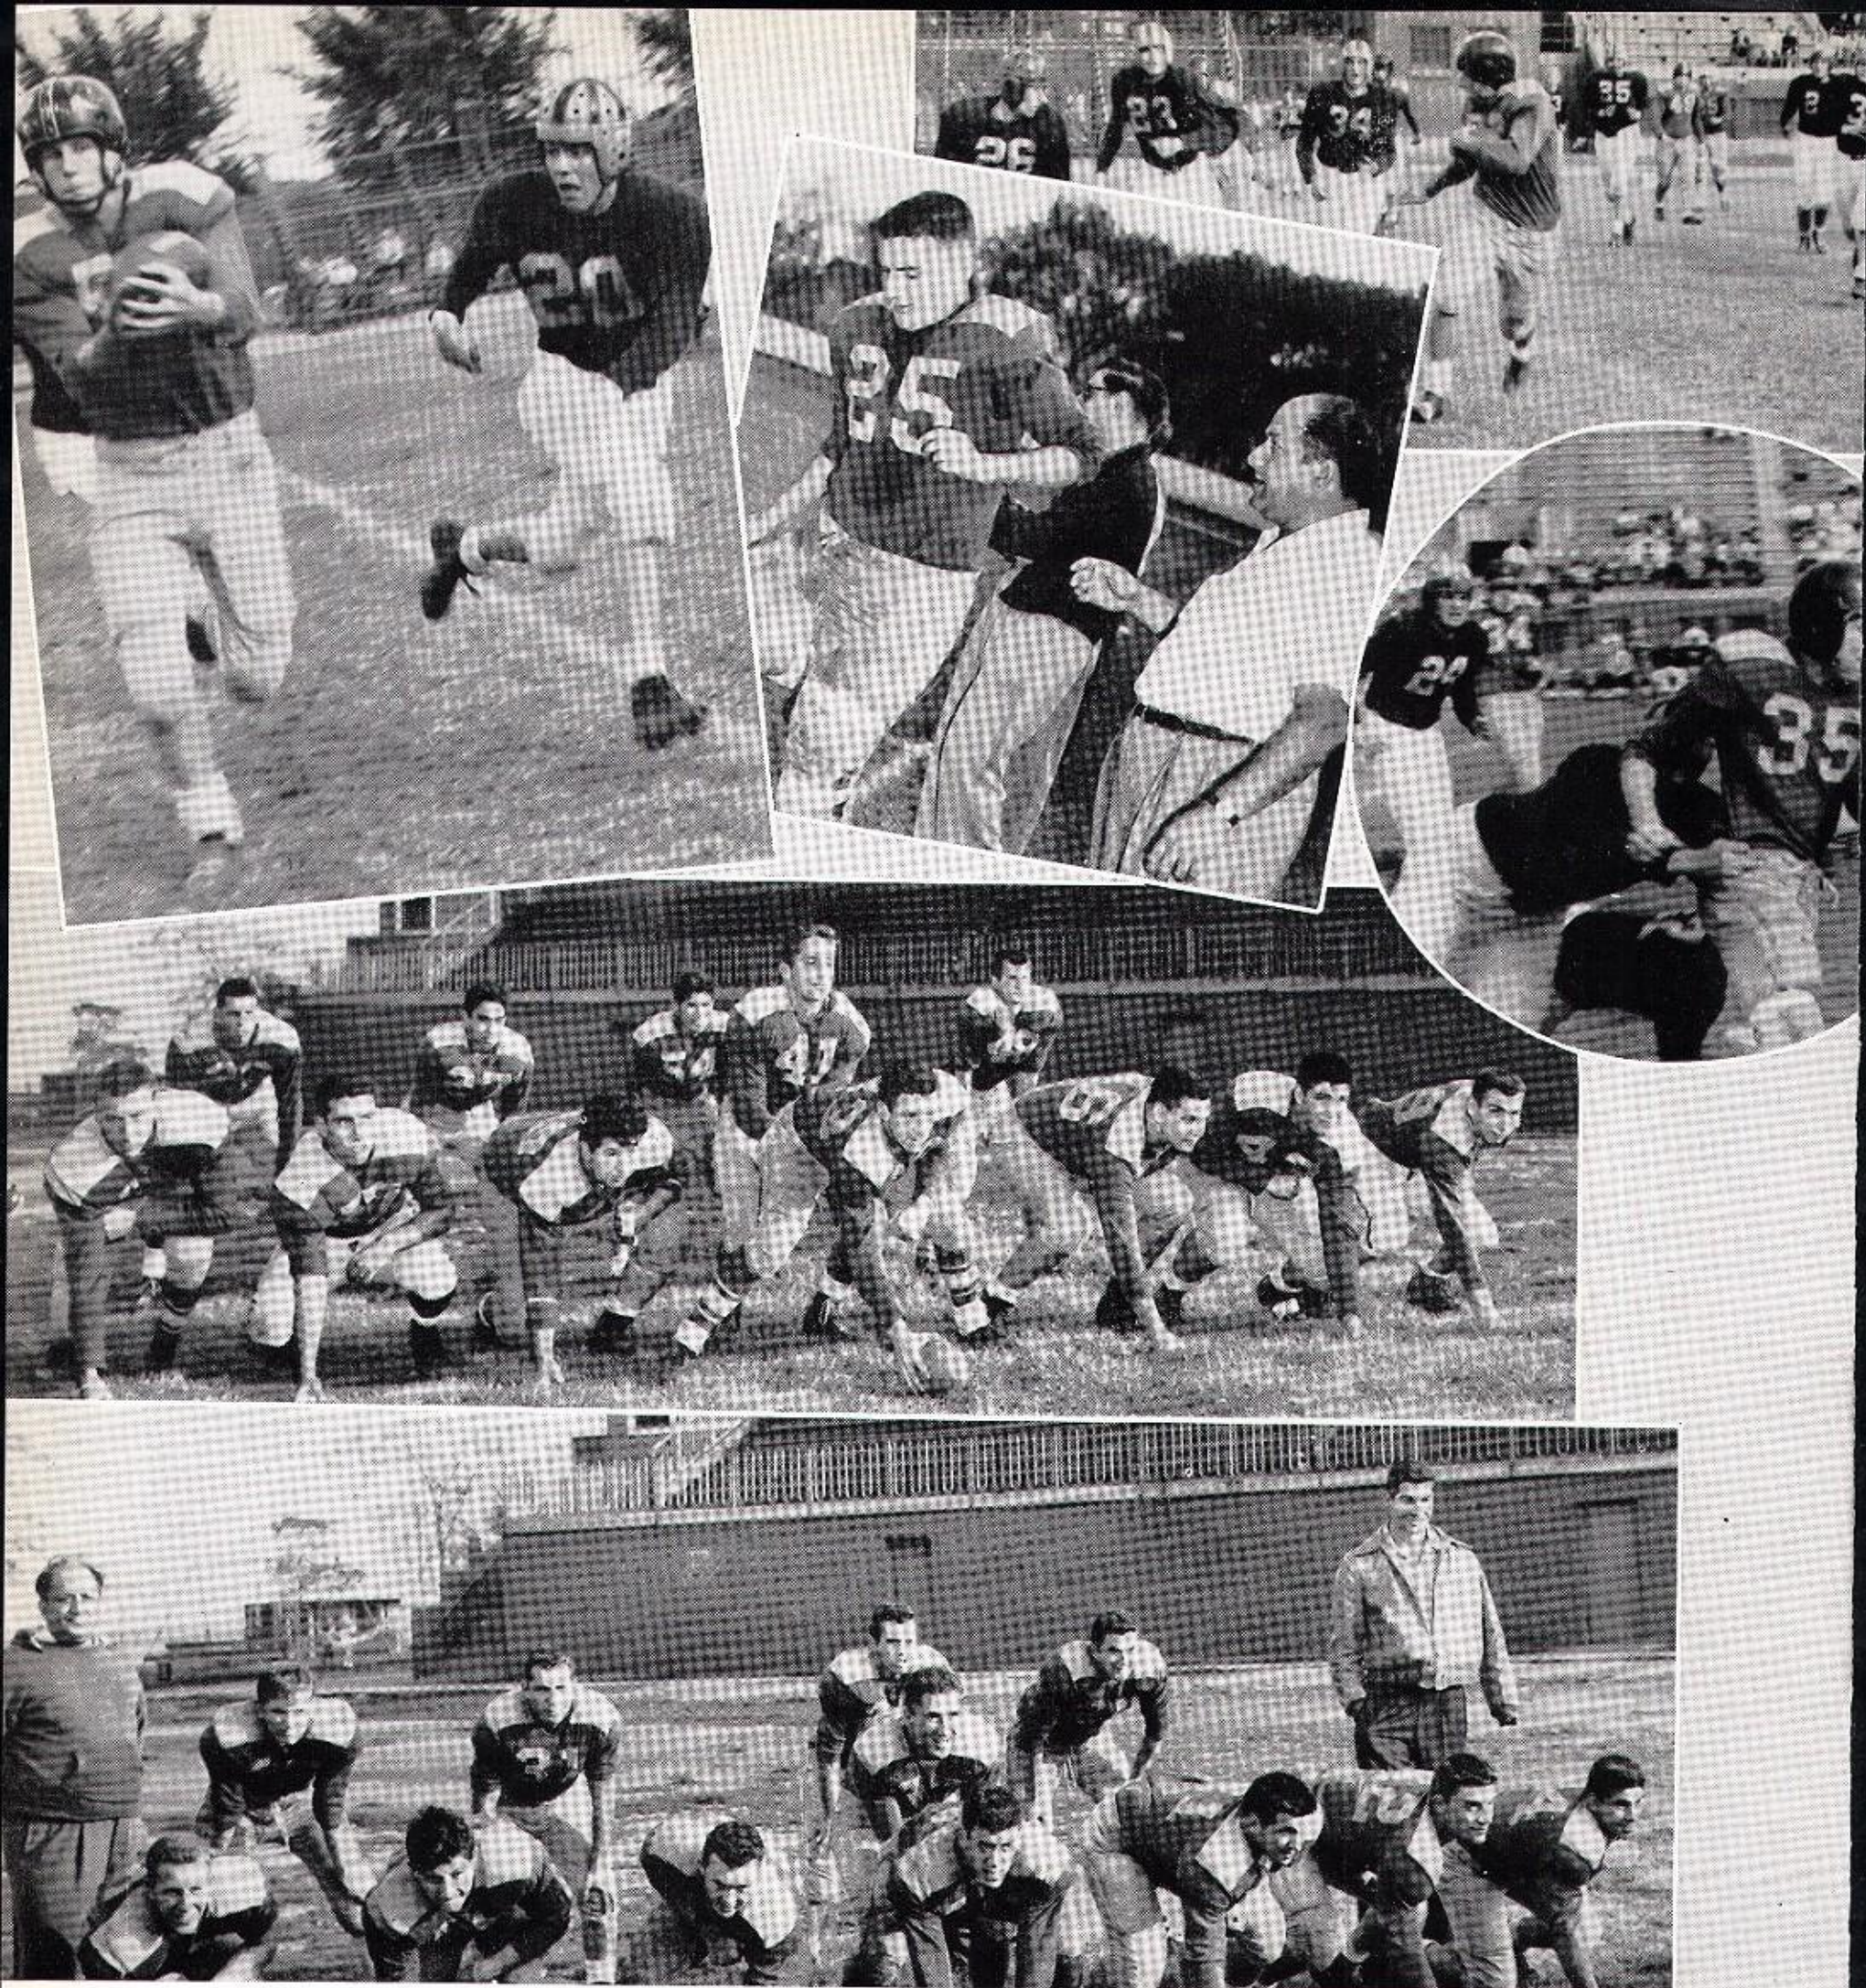

Onward to victory! This cheer became the motto of the fighting 1954 Tiger eleven. With a record of four league wins against one loss, Sullivan climbed to second place in the Northwest Blue Section, barely missing the first place spot. The Cats posted victories over Wells, Tuley, Foreman, and Waller. Only a last-half uprising by Lake View kept Coach Sam Fralick's charges out of the city playoffs.

The highlight of the season, however, was the decisive thrashing that Senn was dealt by our rugged grid warriors. It was the first win in the last five seasons for Sullivan in this traditional contest and our boys handled themselves beautifully in racking up the Bulldogs 12-0.

This year's football team received considerable recognition as quarterback Ron Field, halfback Bill "Biff" Stanton, end Bob Klein, center Joel Axelrad, and tackle Dave Greenstein were picked on the All-Section Squad. In addition, All-State Mention went to Field, Klein, Greenstein, and Stanton. Dave Greenstein, this year's captain, was honored as an All-City selectee.

Because of their fine play in compiling a five wins, one loss, one tie record, the 1954 football team will long be remembered as one of the most outstanding athletic aggregations in Sullivan annals.

Basketball

Under the fine coaching of Coach Art Scher the Sullivan Tigers tied for the North Section championship with 7 wins and 2 losses. The highlight of the season was the upset of Von Steuben. Because of the fine play of Captain Butler, Dennis Geraghty, Bernie Kirsner, Barry Holt, Jim Levy, and Steve Marcus they overcame a 14 point deficit to win. Since all starters return next year except Capt. John Butler, Sullivan can look forward to another successful season.

Under Coach Alex Nemkoff, Sullivan's "Baseballers" have compiled the finest record in their history of 11 wins and 6 losses. Beating Lane 1 to 0 under the masterful pitching of Dave Greenstein, gave Sullivan its biggest moment. Through graduation the Baseball team loses practically the whole starting team. Infielders — George Braun, Steve Marcus, Barry Holt, John Butler; outfielders — Dave Greenstein, Bob Kaul, Earl Goldstein; pitchers — Herman Gribb and Wes Harrod must be replaced.

Synchronized Swim

The Sullivan Synchronized Swim Club has been in existence for three years and is now one of the leading Sullivan Clubs. It is composed of girls who have outstanding swimming ability.

Led by Barb Reiser, President; Kathy Richards, Veep; Louise Meredith, Secretary; and Judy Paris, Treasurer, the forty girls will put on Spring Splash in April.

In the past they have also presented shows at the annual Fun Fair.

Aside from assisting in the gym, these girls have several social events throughout the year.

Each of them must have outstanding scholarship as well as the art of leadership.

These girls really work hard and we are certainly proud of them.

ROTC

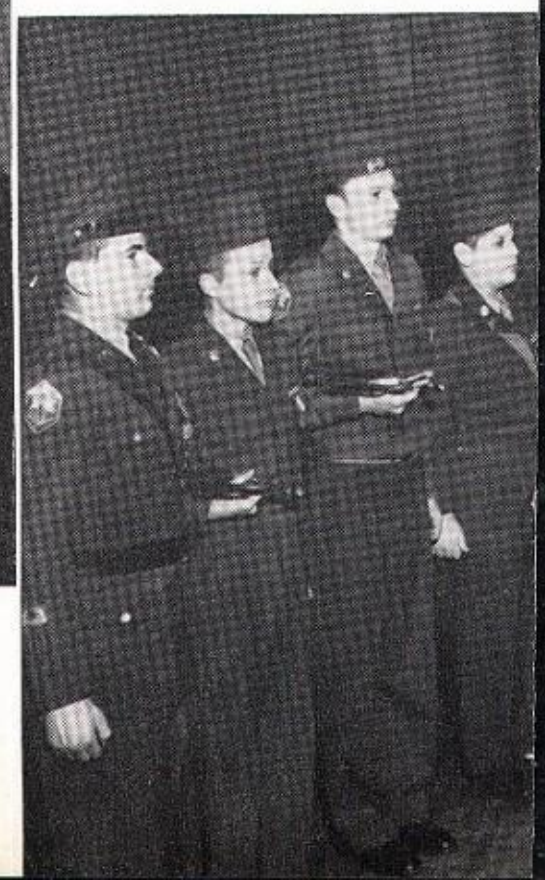

As the Sullivan ROTC unit grows older, its importance to the school becomes more impressed on the students' minds. Not only does the unit develop officers, but it also creates opportunities by which a young man puts to use his leadership and calls upon his own initiative.
